

Does Your Church or Ministry Group
Need a Mission Project This Year?

Consider **Hands for Christ International**

Here at Hands for Christ we are in need of churches or ministry groups to take us on as a mission project.

Our goal is to ship 30 tons of Bibles, New Testaments and teaching materials overseas to churches in third world countries.

We need your help to do this, the average cost to send a library is **\$85.00**. Your church or ministry group can sponsor one or several libraries or just make a one time offering.

Anything you would do to help would be a blessing to the ministry here at Hands for Christ.
